

HSL Construction Limited Quality Statement

The directors and management of HSL Construction Limited. Are committed to operating every aspect of the business to those standards that offer the highest possible quality of service to all clients.

This is supported by a progressive management style that encourages the Quality culture throughout the Company.

To reinforce the commitment a Quality Management System operates in all areas of the company. The management are committed to the continuous improvement of the Quality Management System by establishing and reviewing quality objectives for all areas of the company.

This is to ensure that the company operates effectively and efficiently whilst still meeting the needs of clients.

The effectiveness of the Quality Management System is monitored by planned audits, management reviews and effective corrective and preventive action.

All staff have been made aware of the management commitment to quality in general and the policy in particular. Employees are encouraged to demonstrate their own support to the system by continuous active participation.
